

**ROUND HILL GENERAL IMPROVEMENT DISTRICT
NEWSLETTER
January 2010**

NEW TRUSTEE:

We would like to take this opportunity to welcome Steve Seibel as the newest member of the Round Hill General Improvement District's Board of Trustees. Steve was appointed to the Board on January 19th to replace Joe Francoeur who stepped down after serving eleven years on the Board. We are excited to have Steve on the Board. Steve has been a Round Hill resident since 1983 and his experience as manager for the Edgewood Water Company for twenty four years will be an asset to the Board.

FEBRUARY BOARD MEETING:

In November of 2009, the District enlisted the services of R.O. Anderson Engineering to develop a Comprehensive Road Maintenance Plan for the maintenance and rehabilitation of the roads within Round Hill. At the regularly scheduled February Board meeting, R.O. Anderson will present their report to the Board. As always, the public is invited to attend that meeting and provide their input to the Board. The meeting will be held on February 16, 2010 at 6:00 p.m. at the Tahoe Douglas Fire Station at 193 Elks Point Road. All Round Hill residents are encouraged to attend.

PUBLIC NOTICE:

To: All District Residents
From: Round Hill General Improvement District

The Round Hill General Improvement District will hold a public workshop to discuss the current water and sewer rate structure and to discuss potential future rate adjustments

This will be a public workshop. As such, there will be no action, nor votes taken.
