## **MEMORANDUM OF UNDERSTANDING**

**THIS MEMORANDUM OF UNDERSTANDING** is made and entered into by and between the **ROUND HILL GENERAL IMPROVEMENT DISTRICT**, hereinafter referred to as the “District” and the **INTERNATIONAL UNION OF OPERATING ENGINEERS, STATIONARY LOCAL 39, AFL-CIO**, hereinafter referred to as the “Union”, and has as its purpose the promotion of harmonious labor relations between the District and the Union; establishment of an equitable and peaceful procedure for the resolution of differences; and the establishment of rate of pay, hours of work and other conditions of employment.

### **ARTICLE 1 – RECOGNITION**

The District recognizes the Union as the exclusive negotiating agent for all employees. The term “employee” or “employees” as used herein shall refer only to employees employed by the District who are within the recognized bargaining unit.

Nothing in this Article shall preclude employees from exercising their rights under State and Federal law.

### **ARTICLE 2 – EMPLOYEE RIGHTS**

Any employee, whether or not a member of the Union, but covered by the provisions of this Agreement, has the right to the full benefits and protection of this Agreement as is generally provided or set forth in this contract; except that, any employee dismissed from employment with the District while serving an initial probationary period shall not have the right to appeal such dismissal.

Any employee in a classification covered by this Agreement has the right to join or not to join the Union without intimidation, coercion or fear of reprisal by any party to this Agreement.

The District and the Union recognize that employee personnel files should be maintained on a confidential basis. The District Manager or his/her designee shall supervise all access to personnel files. Only duplicate copies of personnel files may be removed from the Personnel Office for review. The employee or their authorized representative, the employee’s direct line of supervision and terminated employees or their authorized representatives, shall be permitted access to said copies of their personnel files and only during working hours.

All items added to an employee’s personnel file during the life of this Agreement shall be accompanied by an employee acknowledgement of such entry. Supervisors will review all items intended for placement into the employee file and present the employee a copy of the item and a form indicating that the employee has knowledge of the entry of such documents. The form should contain room for any employee comments and signature. The supervisor will forward said materials to the Personnel Office for filing in the employee file.

### **ARTICLE 3 – MANAGEMENT RIGHTS**

All rights, functions and responsibilities of the District not specifically modified by this Agreement shall remain the vested right of the District. Those rights include, but are not limited to, the right to hire, direct, assign or

transfer an employee but excluding any right to assign, transfer or direct an employee as a form of discipline. The District also has the right to reduce the workforce or lay off an employee or employees because of lack of work or lack of funds. In exercising these rights, the District will comply with all applicable provisions of State and Federal laws.

The District reserves the right to determine the appropriate staffing levels, the content of the workday, the quality and quantity of services to be offered to the public, the means and methods of offering those services, the safety of the public and the efficiency of its operations.

Notwithstanding the provisions of this Agreement, the District has the right to take whatever actions that may be necessary to carry out its rights and responsibilities in situations of emergency, such as riot, military action, natural disaster or civil disorder. Nothing herein contained shall affect the rights which the District may have under law.

The District has drafted a Drug/Alcohol Policy, which has been negotiated with the Union and subsequently adopted by the District. The parties each acknowledge that policy.

#### **ARTICLE 4 – UNION RIGHTS**

The District agrees to deduct from the semi-monthly wages of each Union member and remit to the Union the authorized deduction for Union dues, assessments and per capita payments. Such authorized deductions must be individually and voluntarily executed in writing by the employee in a format agreed upon by the District and the Union (see Appendix “A”). Such authorized deductions may be executed at any time during the life of this Agreement to become effective on the first full pay period following a five (5) day receipt of said document by the District’s Personnel Office.

The total amount to be deducted for Union dues, assessments and per capita will be that amount as designated periodically by the Union. Said deduction will be withheld in equal installments on each of the two pay periods of the month.

Such authorized deductions shall remain in full force and effect during the life of the Agreement between the District and the Union unless canceled in a certified letter signed by the employee. Such cancellation may only be made during a fifteen (15) day period ending on June 30 of any year.

The employee’s earnings must be regularly sufficient after required deductions are made, to cover the amount of said deductions. When the employee’s wages are not sufficient to cover the full employee withholding, no Union deductions will be made.

The District agrees not to honor any check-off authorizations or dues deduction authorizations executed by any employee covered by this Agreement in favor of any other labor organization or organization representing employees for the purpose of negotiations for wages, hours of work, working conditions, and/or other fringe benefits for its members as long as Local 39 is certified as the bargaining agent for said employees.

The Union agrees to indemnify, defend and hold the District harmless against any and all claims or suits that may arise out of or by reason of action taken by the District in reliance upon any authorization cards submitted by the Union to the District. The Union agrees to refund the District any amounts paid to it in error on account of the payroll deduction provisions upon presentation of proper evidence of error or mistake.

## **ARTICLE 5 – STRIKES AND LOCKOUTS**

The District agrees that it will not, during the life of this Agreement, lock out its employees.

The Union agrees that during the life of this Agreement, neither it, nor its officers, employees nor members will engage in, encourage, sanction or support a strike, work stoppage, boycott, slowdown, mass resignation, mass absenteeism, picketing or any other actions which would involve suspension of, or interference with, the normal operation and work of the District.

## **ARTICLE 6 – DISCIPLINE AND DISCHARGE**

- A. The purpose of this Article is to provide for an equitable and expeditious manner for the resolution of disputes arising from the imposition of discipline.
- B. Any employee involved in a discussion with his/her supervisor or management, who has reason to believe that discipline may result from said discussion, shall have the right to request his/her Steward or Union Representative be present during the discussion. If the employee wishes to have Union representation during such discussions, it shall be his/her responsibility to make such wishes known, and the District shall make arrangements for the desired representation.
- C. The District agrees that no employee will be disciplined or discharged without just cause. The District and the Union agree that employee evaluations should not be used in lieu of disciplinary measures.
- D. Verbal and written reprimands shall only be subject to review through the District Manager or his/her designee and not subject to arbitration. Upon completion of the review, the District Manager may withdraw, modify or affirm a verbal or written reprimand. Within thirty (30) calendar days of the final disposition by the General Manager or his/her designee, the affected employee may submit a written statement responding to the reprimand and such statement shall be included in the employee's official personnel file(s). Such written responses shall remain in the official personnel file(s) for as long as the reprimand remains in the file.
- E. Any regular employee being suspended without pay, or discharged, shall not be removed from the payroll until after the completion of a pre-termination hearing before the District Manager. The purpose of a pre-termination hearing is for the employee to respond to the specific charges and present evidence on his/her behalf. The employee will have the right to be represented at this hearing by a Union Representative.
- F. A regular employee who has been suspended without pay, discharged, or suffers other monetary discipline shall have the right to appeal such discipline through the Grievance and Arbitration Procedure of this Agreement.

## **ARTICLE 7 – GRIEVANCE AND ARBITRATION PROCEDURE**

### **A. Purpose**

This Grievance and Arbitration Procedure shall be used to process and resolve grievances arising under this Agreement. The purpose of this procedure is to resolve grievances informally at the lowest possible level and to provide an orderly procedure for reviewing and resolving grievances promptly.

### **B. Definitions**

A "grievance" is a dispute by one or a group of employees, or a dispute between the Union and the District involving the interpretation, application or enforcement of the expressed terms of this agreement. As used in this procedure, "party" means an employee, the Union, or the District.

**C. Time Limits**

Each party involved in the grievance shall act quickly so that the grievance may be resolved promptly. Every effort should be made to complete action within the time limits contained in the grievance procedure, but with the written consent of all parties, the time limitation for any step may be extended. If the grievant fails to respond within the specified or extended time limits, the grievance will be dismissed.

**D. Representation**

A grievant and his/her Steward, at the request of the grievant, may attend any grievance proceedings while on duty without the loss of pay. The grievant may be represented at any step of this grievance procedure by the Union Representative.

**E. Response**

If the District fails to respond to a grievance within the time limits specified for that step, the grievant shall have the right to appeal to the next higher step. At each step of the formal grievance procedure, a copy of the decision shall be sent to the grievant and Union Representative.

**F. Informal Discussion – Step 1**

The grievance shall initially be discussed with the grievant's "immediate supervisor". Within five (5) workdays, the immediate supervisor shall give his/her decision or response. If the immediate supervisor fails to respond to the informal grievance within five (5) workdays, the grievant shall have the right to initiate a formal grievance no later than ten (10) workdays after the event of circumstances occasioning the grievance.

**G. Formal Grievance – Step 2**

If the Union or grievant is not satisfied with the decision rendered pursuant to Step 1, he/she or the Union Representative may appeal the decision in writing, within five (5) workdays to the District Manager. Within five (5) workdays of receipt of said appeal, the District Manager will examine the relevant evidence and schedule a meeting with the aggrieved employee and Union Representative for the purpose of resolving the grievance. The General Manager shall, within five (5) workdays of the meeting, render his/her decisions and reason therefore in writing to the aggrieved employee and the Union.

**H. Formal Grievance – Step 3**

If the union or grievant is not satisfied with the decision rendered pursuant to Step 2, he/she or the Union Representative may appeal the decision in writing, accompanied by all pertinent documents, within ten (10) workdays to the Board of Trustees of the District. Within ten (10) workdays, the Board of Trustees of the District will examine the evidence and schedule a meeting with the aggrieved employee and the Union Representative for the purpose of resolving the grievance. The Board of Trustees of the District shall, within five (5) workdays of the meeting, render its decision and reasons therefore in writing to the aggrieved employee and the union.

**I. Arbitration – Step 4**

If the Board of Trustees of the District fails to respond in writing in Step 3, or if the response is not satisfactory to the grievant, only the Union will have the right to refer the matter to binding arbitration. Such referral shall be made by written demand submitted to the District Manager within ten (10) workdays of receipt of the decision of the Board of Trustees, or of the Board's failure to make a timely response.

**J. Selection of an Arbitrator**

Within five (5) workdays after written notice of submission to arbitration, the District Manager and the Union may agree upon a mutually acceptable arbitrator who is experienced, impartial, disinterested and of recognized competence. If the parties are unable to agree upon an arbitrator, a request for a list of arbitrators shall be made to the American Arbitration Association by either party and the parties shall be bound by the rules and procedures of the American Arbitration Association.

**K. Expedited Arbitration**

The District and the Union will use expedited arbitration when agreed to by both parties. Expedited arbitration shall include an agreed upon statement of facts and any stipulations between the parties submitted to the arbitrator at least ten (10) workdays prior to the hearing, and a requirement that the arbitrator selected render a decision within fourteen (14) workdays of the conclusion of the hearing. Either party to an expedited arbitration hearing shall have the right to have the hearing reported. Both parties shall be entitled to copies of the transcripts, the cost of which will be shared equally. In addition, the parties may agree to wave the use of post-hearing briefs.

**L. Decision**

The decision of the arbitrator shall be final and binding. The arbitrator shall have no authority to add to, delete, or alter any provisions of this Agreement, but shall limit his/her decision to the application and interpretation of its provisions.

**M. Witnesses**

Prior to the arbitration hearing, the Union shall furnish the District with a list of witnesses it desires to call who would otherwise be working. The parties will be reasonable in the scheduling of time off to accommodate both the operations of the District and the grievant's fair hearing. The District will assume no overtime liability as a result of a grievant's or witness's testimony.

**N. District-Initiated Grievance**

In the event that the District initiates a grievance against the Union, it will be forwarded in writing by the District Manager to the Union. Within five (5) workdays, the District and Union will schedule a meeting in an attempt to resolve the grievance. Should the parties not be able to resolve the grievance at this meeting, the Union will have ten (10) workdays to respond in writing. Should no satisfactory agreement be reached, the District may request arbitration pursuant to this Article commencing with Section K, above.

**ARTICLE 8 – HOURS OF WORK AND OVERTIME**

**A. Hours of Work**

Employees of the District will normally work nine (9) hours per day Monday through Thursday, and four (4) hours on Fridays, totaling forty (40) hours per week, fifty-two (52) weeks per year, including authorized absences with pay.

A workday is defined as one twenty-four (24) hour period commencing at the employee's reporting time and ending at the completion of their shift, inclusive of two (2) rest periods; but exclusive of meal periods. Such rest periods shall not be scheduled within one (1) hour of the employee's starting time, quitting time, or meal breaks, unless otherwise agreed to by the District and the Union. The District reserves the right to make temporary changes to assigned work hours due to emergencies to meet District needs. Temporary shall mean not more than five (5) working days. Snow removal may be considered an emergency. Notwithstanding paragraph 1 above, employees may work a modified workweek, subject to approval by the District and the Union.

The District will not be unreasonable in the scheduling of compensatory time and will consider the employee's request and the operating demands.

Employees will receive a cash payment for all compensatory time earned, but unused at the time of termination.

Absence with pay shall be counted as time worked.

Employees who work overtime shall promptly and accurately report such time to their supervisor.

The District agrees to make a reasonable effort to distribute overtime equally among employees in the same work unit, insofar as circumstances permit.

An employee's vacation accrual shall be the maximum vacation he/she can earn in a two (2) year period.

### ARTICLE 13 – LEAVES OF ABSENCE

Leaves of absence without pay may only be granted if recommended by the supervisor and subsequently approved by the District Manager. If the leave of absence is not approved by the District Manager, there shall be no appeal.

### ARTICLE 14 – SICK LEAVE

- A. All employees shall be entitled to accrue sick leave at the start of the first pay period occurring after thirty (30) days of employment without limitation provided they are regularly scheduled to work 40 hours per week.

**Sick Leave rate will be earned at 1.25 days per month.**

- B. Sick leave credits shall accrue for each pay period the employee is in full pay status for a minimum of one-half (.5) of his/her regularly scheduled semi-monthly hours. On the first pay period of each calendar year, the District will buy back at fifty percent (50%) of the employee's straight time hourly rate of pay all sick leave in excess of sixty (60) days, four hundred eighty (480) hours.
- C. Sick leave shall be an absence from work by reason of illness, injury or death. Sick leave may be granted only as a result of; illness or injury of the employee, or illness, injury or death of any relative within the third degree of consanguinity or affinity (consanguinity is defined as kinship to include blood relationship, whereas affinity is the connection existing in the consequence of marriage), i.e., spouse, parent, child, grandparent, brother, or sister, or grandchild, adopted child and step-child that reside with the employee.

In the event of a death in the immediate family as defined above, an employee shall be granted consecutive days off with pay to attend the funeral or services. If attending services in town, up to three (3) days may be taken as Bereavement Leave and shall not be deducted from the employee's sick leave.

If attending services out-of-town beyond one hundred (100) miles, up to five (5) days may be taken with the understanding that two (2) days will be charged to sick leave.

- D. Sick leave shall be charged on an hourly basis for each full hour or major portion of an hour of sick leave taken. Holidays occurring during sick leave periods shall not be counted as sick leave. Sick leave taken during a weekly pay period shall be charged after sick leave earned during that pay period is credited. If an employee does not have adequate accrued sick leave time, the supervisor may grant the use of accrued vacation time in lieu thereof. Whenever possible, an employee shall notify the District in writing of their intention of being absent due to illness, injury or other authorized reason.

The District Manager may require the employee to provide a written doctor's statement before sick leave may be granted when the employee is required to be off work for three (3) or more days, or in the event the employer feels there is cause to believe the employee is abusing the leave. The District may only request a doctor's verification for future use of sick leave, but not for already used leave.

Additional documentation may be required of the employee, depending on the seriousness of the disability at the District's expense. Such documentation shall be HIPAA compliant.

Upon termination of employment, an employee who has completed five (5) years of service to the District shall be compensated for accrued sick leave at the rate of fifty percent (50%) of the employee's straight time hourly rate of pay.

The District shall allow employees to voluntarily donate up to sixty (60) hours of accrued leave per fiscal year, to any other employee of the District who has medical certification that they are unable to work due to an injury or who suffers from a serious illness that requires prolonged and continuing medical treatment. To be eligible for leave donations, the employee must be permanent, non-probationary, and not have more than twenty-four (24) hours of accrued leave. For the purposes of the provision, leave is defined as vacation, sick, or compensatory time.

- E. When an employee receives State Industrial Insurance System (SIIS) compensation for lost wages, the employee's accrued sick leave will be charged only for that percent of each day's pay which is not compensated by the SIIS. The District will pay that portion of the employee's salary, which together with the SIIS payments equals total salary, until accrued sick leave is exhausted.

Sick leave for maternity may be taken for six (6) weeks or until released by the physician to return to work. The decision as to when such leave begins or ends shall be made by the employee with the approval of the supervisor, accompanied by the approval of the employee's personal physician or physician designated by the supervisor.

If the cost of the deductible of the plan offered by the District exceeds the allowable IRS HSA contribution, the District will compensate employees to make up the difference, payable at the time the higher deductible goes into effect.

In the event of accident, illness, or layoff of any employee with ninety (90) days or more of employment, the Employer will continue the monthly payments for the employee and his/her dependents for a period not to exceed three (3) months.
